CSC-192 Seminar #1: Resume Workshop/Job Search Strategies

Speaker: Voun Sa, Dir. of ECS Career Services

Q1: Services offered by ECS Career Services?

- Resume/Cover Letter
- Job Searching Strategies
- Navigating Handshake
- Interviews
- Networking
- Career Fairs/Events
- Info Sessions (Lunch & Learn, Meet the Employers)
- On-Campus Interviews
- Workshops

Q2: List Key Resume Do's & Don'ts discussed in the Seminar?

Do:

- Tailor your resume to the job you are seeking
- Focus on your skills, accomplishments, and abilities
- Use action verbs to describe the task you held
- Proofread your resume before submitting it!

Don't:

- Use fancy font on your resume
- Has someone else write your resume (this includes ChatGPT!)
- Lie or exaggerate your work experience
- List references on your resume (Create a separate document!)

Q3: List steps to take for the ECS Career Fair (Before/During/After)?

Before the Fair…

- Update your Handshake Profile/Resume
- Research
- Develop your Elevator Pitch

Day of the Fair…

- Arrive early
- Dress Professionally
- Bring copies of your resume
- Ask Questions

After the Fair…

- View and apply to open jobs/internships
- Follow-up
- Connect with Recruiters on LinkedIn

Q4: List the ECS career fair dates for Spring ’25 (In-Person & virtual)?

- JCPenney Suit Up Event – February 16
- Career Fair – February 21
- All Majors Career Fair – March 3
- ECS Workshop series (12-1pm)
    - Mastering Your Resume, Scholarship 101, Polish Your Digital Profile, Career Fair Success, Ace Your Interview, Job Search Strategy

Q5: Reasons for having a LinkedIn Profile?

First, LinkedIn is a popular software platform where employers actively search for potential job seekers / employees. And according to Voun Sa, 99% of the recruiters are there and actively recruiting through LinkedIn, they post their companies open jobs, and available positions.

Q6: What is Handshake? Benefits of signing up in Handshake?

Handshake is a platform where students and employers can do direct communication regarding job, and students can apply for the job, which are posted by employers across the country. In addition, Handshake is where employers are seeking college students and grads.

There are search engines, job portals, descriptions about the companies that are hiring students/ employees.
